One Source of NC Launches Triad Operations
Beth Loseke Joins the Firm

GREENSBORO, N.C. (September 22, 2009)—One Source of NC, LLC (www.onesource-nc.com), a firm that specializes in the recruitment of architecture, engineering and design talent, announces today its expansion into the Triad region of North Carolina. Beth Loseke has joined the team to handle business development and client relations for the Greensboro, High Point and Winston-Salem area.

"The Triad region is an important East Coast commerce center," says Dana Dorroh, managing partner of One Source of NC, LLC. "Beth's sales and management experience will make an immediate impact in servicing our current Triad client base, as well as working with area professionals seeking career opportunities."

Loseke brings more than 20 years of experience to One Source. A Wake Forest University graduate and former Winston-Salem Chamber of Commerce board member, she has led North Carolina sales and client service teams for other nationally recognized staffing firms.

"It is so important to make sure that the candidate and the client are a positive match," says Loseke. "I prefer to meet with our business partners on-site to experience the client's business in-person and to ensure the right fit."

Beth Loseke
