One Source Named a Top 100 Small Business in North Carolina

One Source of NC, LLC (www.onesource-nc.com), a firm that specializes in the recruitment of architecture, engineering and design talent, today announced its selection as one of the top 100 small businesses in the state, by Business Leader Media. One Source was chosen from more than 280 nominations demonstrating significant business achievement and community involvement.

"It was a great honor to be distinguished as a top 100 small business," said Dana Dorroh, managing partner of One Source of NC, LLC. "We strive daily to make a positive difference in N.C. by creating professional matches between qualified candidates and established clients; consistently giving-back to our community; and steadily being engaged with the talent needs of our clients. I am grateful to our clients, our professionals in the field and our internal team who make our business possible."

The June issue of *Business Leader* magazine will list the rankings and be distributed in three markets: Charlotte, the Triad and the Triangle.

One Source and other Triangle winners were honored during the 2009 Top 100 NC Small Business Event held June 17, 2009 at the Sheraton in downtown Raleigh, one of three simultaneous events across the state.
